Attendance Rate

Our attendance during the rainy weather has declined. Attendance is so important for students to learn – rain, hail or shine.

Please encourage your child/children to come to school every day and to be on time. With just over four weeks to go, our students will have lots of fun events happening at school that we want them to be a part of.

Student Safety

We still have a number of parents that are driving in and using the school grounds to collect students on the bell. This puts our young learners at risk. Please refrain from driving into the school grounds unless prior arrangement has been made with the Principal.

Transition to Prep

Next Wednesday our 2nd transition to Prep morning will take place. Our young and enrolling Pre-Preps will have a morning of activities while our parents will be able to use the facilities to prepare their dinner for the night.

Placement Confirmation for 2016

Are you going to be returning to school late in 2016. Our school class allocations and funding are based on the number of students marked on the roll by day 8 of next year. School will resume on 27th January next year with day 8 being 5Feb.

If you plan on remaining enrolled at Carole Park SS in 2016 but may be delayed in your return please contact the school office ASAP so we can ensure you have a placement.

Naomi Meerwald
Principal

We love meeting our young students and encourage all of our pre-prep families to attend.

I would like to encourage you to remind friends and family to enrol Prep age students prior to the conclusion of this year where possible.
