Dear Parents and Carers

Stephanie Alexander Kitchen Garden

Last Wednesday we had the pleasure to host a visit by Stephanie Alexander to our Kitchen and Garden. She was very impressed with both our program and the enthusiasm shown by the students participating. She shared lunch with Mrs Johal’s Class and then talked with children as they were working in the garden. Parents are welcome to come and participate in the program. See your class teacher or the office for information. We are presently interviewing for a new Kitchen Specialist and Garden Specialist. We miss Jenny!

Gentle Reminder

- Student’s need to wait in the undercover areas in the mornings before school.
- Children become distracted easily when there are people standing at doors and windows close to the end of the school day. Please show care to our children by waiting for your children in the undercover areas.
- If you wish to speak to your child’s classroom teacher an appointment can be made by arranging a time that suits both parties.
- At Carole Park SS we encourage our children to speak to others with care, using polite and friendly words at all times. It is important that we all model this behaviour to all staff members, parents, carers and children in our school.

Hippy Reading

This program is a wonderful start to engaging young children in literacy. Please contact Jacqui if you are interested. We are perhaps looking at trying to run a small group at school. See me if you are interested.
P&C Meeting

The next P&C Meeting will be on Thursday 27 February 2014. This will be the meeting before the Annual General Meeting. Last year a small group of volunteers raised money from Discos, Special Occasion Stalls and the tuckshop. This money was used to subsidise school excursions. My thanks to this loyal group of parents. Please consider helping as the funds always go to assisting students at the school.

Harmony Day Multicultural Festival

We will again be partnering with Elorac Place Community Centre to celebrate Harmony Day. It is an opportunity for our wonderful community to come together to celebrate the diversity of our community. This will be held on Friday 21 March from 3:30pm until 6:00pm. Please consider helping in some way on the day. We will again have activities for the children and there will be many food stalls that will sell a large variety of food.
