Dear Parents and Carers

Term two has started with the students very settled and happy to be back at school. We held our ANZAC Day Service on Monday and once again it was a moving service. This service was taken by the School Leaders who did a wonderful job. Pictured below are the school leaders with Sophi-Lee.

The School Leaders also attended the ANZAC Day Commemorative Service with 3600 other students at ANZAC Square. They came back very excited with a good knowledge around what the service means. They transferred the knowledge to our students at the school service.

Sport
This week we had children at both District Soccer and Rugby League Trials. We also had students attend the District Cross Country.

The draft of the framework has now been completed and will be presented for comment at the next P&C meeting on May 22 at 9:30 am in the Hall Meeting Room.

It identifies what schools can do to strengthen learning outcomes for students — through effective partnerships between principals, teachers, students, parents and the community.

The core learning priorities of Queensland state schools are articulated in the department’s agenda for improvement. United in our pursuit of excellence, and are framed through four key elements: school and community partnerships; school curriculum; teaching practice; and principal leadership and school capacity.

The framework addresses the key element of school and community partnerships.

Mothers’ Day Stall
This will be held from Wednesday 7 May both before and after school. Prices range from 50 cents to $5 per item, so there is something for everyone.

Wendy Hoskin
Principal

3/4D came up with the following reasons for having school rules:
- so the community can see our best behaviour
- everybody knows what they should be doing
- it would be chaos without rules - disorganised
- helps us to learn and work together
- keeps us safe

5/6H Believe Don’t even bother reading the other classes as ours will definitely be the best!!!

At school we have rules to protect ourselves and our environment. Our rules are absolutely vital because they help us to improve our behaviour and create a more positive learning environment.

Some of the responses from 4/5J
1. So that we can all feel safe.
2. So that the school can be a happier place.
3. To improve our behaviour.
4. So that we don’t get hurt.
5. So that we don’t get into fights.
6. So that we don’t get into One School and be suspended.
7. So that we all enjoy our learning and school.
8. So that we all learn to respect each other and our feelings.

SWPBS lesson this week, each class was asked to think about why we have school rules!

Students this week focused on being Courageous Carole Park Cats.

Children are encouraged to use STOP, WALK, TALK if they have a playground problem.
