2 August 2013

Dear parents and carers

It was wonderful to hear that our school had won the state-wide I Dream Project. For this project Ms Forbes and Mrs Kirk assisted a small group of children produce a video entitled 'Same but Different'. The video can be seen on our website www.caroleparkss.eq.edu.au as well as being available on the Q Schools App.

We also heard yesterday that the school reached the State Finals for Showcase: Excellence in Teaching Inclusive Education. This means we have been selected as one of the best schools in the state that offer wonderful programs focusing on the inclusion of all students within the school. This is a culmination of work within the Den and with additional programming for intervention in the school. This is affirmation that we cater to the needs of all our students very well. Congratulations to the staff of the school and especially the team that have worked conscientiously on the school’s entry.

School Information

Information regarding the school can be found on the website https://caroleparkss.eq.edu.au/Pages/default.aspx and the school’s QSchools App

QSchools smartphone app

Queensland school communities now have a new way to interact with their favourite state schools using the QSchools smartphone app. The QSchools app is a convenient way to receive up-to-the-minute information from and about schools. The app is designed to integrate with a new type of school website, and allows users to see when news, events and newsletters are posted to their selected school website. The school community can also receive emergency announcements such as natural disasters and school closures through the app. The QSchools app will be particularly useful to parents who have students in different schools, as the app manages updates from multiple schools in a single view.

Important alerts: Receive push notifications for important announcements about school closures and natural disasters.

School search: Find schools using text search, postcode, school name, suburb or your current location.

School details: View school details including contact numbers, web address and other related information.

Android and iOS versions of the app are available for free download from the iTunes store and Google Play. Requirements: Compatible with iPhone, iPod touch, iPad and Android. Requires iOS 5.0 or later.

NAIDOC Celebrations

What wonderful days! Last Thursday and Friday saw the school celebrate NAIDOC. A range of activities were undertaken. Thanks to Ms Stedman, Mrs Kirk and Ms Harrison for
Pre-Prep Class

My Child, _________________________________________ DOB:_____________________ is eligible to start Prep next year. I would like him/her to par-

ticipate in the Pre-Prep Program at Carole Park State School. I understand that not all children who apply for the Pre-Prep Program will be able to 
participate in the program. My contact details are:

Name:_______________________________________________   Phone Number:________________________________________

Address:_____________________________________________________________________

I know of a child who would be eligible to start Prep next year. Contact details for the child are:

Parent Name:___________________________________________    Phone Number:_________________________________________

Address:_______________________________________________    I have gained parent permission to forward these details to the school.

This week Carole Park State School introduced Stop, Walk and Talk. Students practiced and discussed with their 
teachers what this may look like in the classroom and playground if you are feeling stressed or angry.

Carole Park Cats are Caring, Courageous and Committed.
